

# ONE DAY MEETING IN THE ARCHIPELAGO

Get inspired and let the ideas flow – as a change from your usual working environment to the beautiful landscapes of the archipelago.

The crucial element for a successful meeting or kick-off is for the participants to feel at home. To ensure this, the atmosphere and environment are just as important as the food and activities. With all of this combined the experience is complete.

You find us in an archipelago setting, 25 minutes by car and 45 minutes by RIB boat from the City of Helsinki. Your meeting is hosted, in facilities with a magnificent sea view and we offer great food and superb activities.

A one day meeting in the archipelago includes:

- Morning coffee and lunch at the Safari house.
- One activity: Either a 2 hour RIB or rowing tour in the archipelago, or teambuilding activities/ yard games.
- Sauna (One wood heated traditional sauna and one electric in the main house).
- Dinner, including drinks.

Price for a group of 12 persons: 3480 € + VAT.
